

IPS AFFILIATION INFORMATION

WHY AFFILIATE TO THE IRISH PONY SOCIETY ?

The Irish Pony Society set standards for ponies in Ireland through the improvement and protection of pony breeding, promoting and encouraging classes and competitions and to foster the participation of our children/young people in competing and generate an interest in the riding and production of ponies.

Our Members compete throughout the year and collect points for results attained at all IPS and affiliated shows towards our end of year awards. Affiliating to the Irish Pony Society will encourage our members to compete at affiliate shows.

Promotion: once affiliated your show will be added to our shows calendar and will be shared on our social media platforms.
